# Dear Friends and Supporters,

2010 has been amazing, off the charts, over-the-top for us. And I owe it all to Jesus and to you!

I've traveled more this year than ever speaking in conferences across the U.S., France, England, Australia, Canada and Africa. The presence of God has been so strong in every meeting as altars have flooded with people crying out for a new beginning in their lives. It makes me cry just thinking about it.

For women craving a sweet encounter with God, we launched our *Icing* events. *Icing* isn't your typical ladies' conference, it is an atmosphere that appeals to all five senses. We raised awareness of the horrors of human trafficking and rallied together to make a difference in this horrible crime against children. Under the direction of the Lord, we are dedicated to building up teenage girls to stay pure, build their confidence and pursue an intimate relationship with God while walking out His plans for their lives. We've invested faith-filled resources into these girls by giving away 5,500 CDs, nearly 1,000 books and 1,300 cupcakes!

My first hardback book made its debut, *Make Your Dreams Bigger than Your Memories*, in bookstores across America. That was also dream come true. The numerous testimonies we have received have made it all worthwhile to disclose so much personal information in this eye-opening book.

One grandmother wrote me on Facebook telling how my book had changed her teenage granddaughter's life. I was thrilled to hear that but I wanted to hear from the granddaughter herself. Shortly after, the granddaughter, Jesse, wrote saying my book gave her a reason to stop cutting herself, starving herself and doing things she regrets. She now has new dreams to pursue and wakes each day with passion. Testimonies like this touch my heart and encourage me to do all I can to reach others.

Media outreach is such an important part of this ministry. The weekly podcasts and teachings at [terri.com](http://terri.com) and at [youtube.com](http://youtube.com) are now reaching 172 nations all over the world! We are receiving thousands of comments from viewers who don't know who I am, who Jesus is (for that matter) or why they're even watching, but their lives are being changed!

When I started this ministry in January, 2008, I thought "What could I possibly do to make a difference? Am I dreaming too big?" Recently, I read this quote: "When you think you're dreams are simply outrageous, remember this: Amateurs built the Ark, Professionals built the Titanic." God will use anybody who is willing to be used. Thank you for allowing God to use YOU to make a difference in every life touched by this ministry.

Much love,

# Icing

# CAN YOU IMAGINE?

**Can you imagine living in a 10,000 square foot house? Or driving a brand new Porsche? Can you imagine giving \$100,000 to a ministry you believe in? What about vacationing in France, Italy or Australia? Can you imagine publishing your book and having a book signing? Or singing in front of 10,000 people?**

**W**hat can you imagine? Happy Caldwell shares a story of when he was in Honolulu, Hawaii looking up at a magnificent mansion that overlooked Diamond Head and Waikiki Beach. He said to himself, "I can't imagine living in a house like that!" And he quietly heard the Lord say to him, "Don't worry about it, son, you never will." Your imagination has every thing to do with what you will experience in your life.

Albert Einstein said, "Your imagination is everything. It is a preview of life's coming attractions." I want you to stretch your imagination, open your mind up to new possibilities and new opportunities that God wants to bring your way. Your imagination is your mind's ability to envision your future. Let's look at the word I.M.A.G.I.N.E. to help you pursue your dreams.

## **Imagine Your Future**

Before you can do something, you've got to imagine yourself doing it. Before you can have something, you've got to imagine yourself having it. Before you can be something, you've got to imagine yourself being it.

Napoleon Hill said, "If you do not see great riches in your imagination, you will never see them in your bank balance!"

What does IMAGINE mean? To form a mental image of; to conceive; to produce by the imagination; to think; to believe; to form images. What does IMAGINATION mean? The imagine-making power of the mind; the power to call up mental images for the accomplishment of an elevated purpose.

How do you use your imagination? You sit quietly and you think, you dream, you see yourself doing something that seems impossible or out of reach. Once you're able to imagine it,

you are one step closer to having it.

The Bible tells us in 2 Corinthians 4:18 (NIV): “So we fix our eyes not on what is seen, but on what is unseen. For what is seen is temporary, but what is unseen is eternal.”

On the opposite side: look at the illustration of the Tower of Babel in Genesis 11:6. They were trying to build a tower that could reach heaven (and this was before they had concrete mixers, cement trucks, cranes, power tools) and the Lord said, “Behold, they are one people and they have all one language; and this is only the beginning of what they will do, and now nothing they have imagined they can do will be impossible for them.”

In other words, if you can dream it, God can do it! The problem is: most of us have stopped dreaming. We’ve stopped using our imagination. I want to challenge you to devote time today to sit quietly and just think. Dream. Imagine at least one area of your life being different. It could be your finances. Your savings account. Your debt being paid off. Imagine it.

**“As a struggling actor, in 1990, Jim Carrey wrote himself a check for \$10 million and post-dated it 5 years.”**

### **Make a Dreams Book**

Write what you see. Your vision and goals must be on paper! Habakkuk 2:2 says, “Write the vision and make it plain on paper.” Something happens when you put your dreams on paper.

I read a story about Jim Carrey that proves the power of writing your vision. In 1990, Jim Carrey was a struggling

young Canadian comic trying to make it in Hollywood. He drove his old Toyota up to Mulholland Drive and would look out at the city below and imagine his future. He even wrote himself a check for \$10 million, and post-dated it “Thanksgiving 1995”. He wrote in the notation: “for acting services rendered.” He carried that check (his dream) in his wallet everywhere he went.

By 1995 (the year he post-dated the check), after the huge box office success of *Ace Ventura: Pet Detective*, *The Mask* and *Dumb & Dumber*, his asking price had risen to \$20 million per picture. When his father died in 1994, he placed the \$10 million check into his father’s coffin as a tribute to the dad who taught him to use his imagination and dream.

The Bible gives us a major success key in Habakkuk 2:2-3 (CEV), “Then the LORD told me: “I will give you my message in the form of a vision. Write it clearly enough to be read at a glance. At the time I have decided, my words will come true. You can trust what I say about the future. It may take a long time, but keep on waiting—it will happen!”

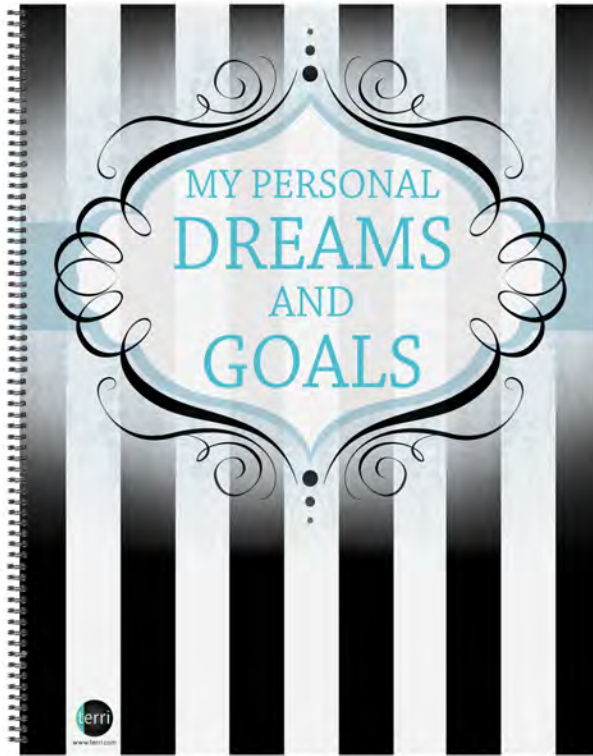

I like to put all of my dreams and goals in a book. I’ve done this for years and finally, it dawned on me, part of my “VISION” is to provide people with the resources to help them pursue their dreams. So, I created a “dreams notebook” where all you have to do is find a picture, tape it in there, write your dream. Be sure to get your copy so you can get your dreams on paper and ready to pursue for the new year.

# To France with Love

*Ask of me and I will give you the nations.* Psalm 2:8

Unaware as a 16 year old sitting in French class in Texas, God was setting Terri up to make a difference for Him in the nation of France. Today, the international ministry focus of Terri Savelle Foy Ministries is to reach France with a message of God's love.

## France Facts

- Evangelical Christian believers account for only 0.8% of the population. Pakistan and Saudi Arabia (1.9% and 0.9%) have more Evangelicals per capita.
  - Church attendance is one of the lowest in Europe (6-8%, compared with 44% in the USA).
  - 80% of French people have never owned or seen a Bible.
- There are approximately 50,000 full-time practitioners of occult arts (tarot, fortune-telling, psychic healing, etc.) who easily out number the 35,000 full-time Christian workers in France.

## What is TSEM doing to help?

### #1. PRAYING

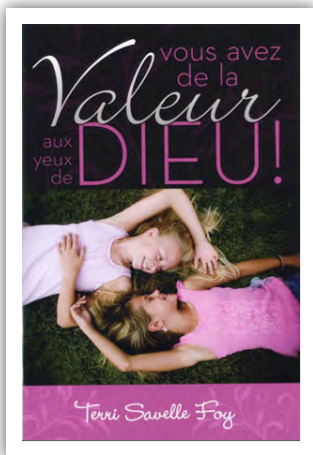

*The earnest prayer of a righteous person has great power and produces wonderful results.* James 5:16

We believe in the power of prayer and spend time praying everyday for France.

### #2. PREACHING

*Go therefore and make disciples of all nations...* Matt. 28:18-20

Each year Terri leads a group of women to France for a memorable time of prayer at the top of the Eiffel Tower, life-changing meetings with churches, *Icing Women's Event* at Hillsong Paris, youth conferences, book distribution, sight-seeing and much more.

### #3. PRINTING/PRODUCING RESOURCES IN FRENCH

*And the gospel must first be published among all nations.* Mark 13:10  
Terri's book, *You're Valuable to God* has been translated into French. We also have two audio teachings (*You're Valuable to God* and *Make Your Dreams Bigger Than Your Memories*) with French translation.

### #4. DISTRIBUTING MATERIAL FREE OF CHARGE

*He sent his word, and healed them . . .* Psalm 107:20  
Approximately 5,000 copies of *Vous avez de la valeur aux yeux de Dieu* have been given away during our ministry tours in France.

### #5. PURSUING OUTREACHES FOR YOUTH AND WOMEN

We are meeting with church leaders in Nice and Paris to arrange involvement in youth camps, women's conferences and distribution of resources throughout France.

### #6. PROVIDING FUNDS AND HUMANITARIAN AID

*Freely you have received, freely give.* Matt. 10:8  
Terri Savelle Foy Ministries regularly donates funds to partner churches in France that are actively ministering to those in great need.

Terri is believing for those who want to do something significant to reach a nation to join her in partnership. Through prayers and financial support, **TOGETHER** we can accomplish great things for the kingdom of God in France and everywhere we go. *For more information on partnership see page 13.*

raised their hand. It was Dan O'Brien. Dan O'Brien was the one who went on to win the gold medal in the decathlon at the 1996 Olympics in Atlanta. Don't ever underestimate the significance of writing your vision and keeping it before you.

Joshua 1:8 (NKJV) says, "This Book of the Law shall not depart from your mouth, but you shall meditate in it day and night, that you may observe to do according to all that is written in it. For then you will make your way prosperous, and then you will have good success."

YOU have to do the same thing with your DREAMS & GOALS! You have to keep them before you constantly...day and night! Out of sight is out of mind.

### Goals Must be Set

Vague goals produce vague results. I learned from Jack Canfield that in order to make a goal effective, it needs to answer two questions: how much and by when? In other words, how much (many): Pages, pounds, dollars, square feet, points, etc. By when? A specific time and day.

For example: "I will lose 15 pounds" is not as powerful as saying, "I will weigh 110 pounds by March 15 at 10:00 AM". Be specific. Habakkuk 2:2 says to not just write the vision but make the vision plain. So when setting the goal for your life, be as specific as possible.

Diana Scharf Hunt said, "Goals are dreams with deadlines."

### Initiate Action Now

We can't sit around and WISH things would change—we've got to DO something! In Luke 5, we read the story of the four men taking their sick friend to see Jesus for healing. The place was packed and there was no room for them to get in. So they went the extra mile. They didn't conclude that there was nothing they could do. They were proactive.

Luke 5:19 says, "When they could

not find a way to do this because of the crowd, they went up on the roof and lowered him on his mat through the tiles into the middle of the crowd, right in front of Jesus. When Jesus saw their faith, he said, "Friend, your sins are forgiven."

Notice it says, "When Jesus SAW their faith..." How can you see faith? He saw their ACTION. And He gave them what they were after. He healed him. We must be proactive.

James 2:20 (ESV) says, "Faith apart from works is useless." Abraham Lincoln said, "Things may come to those who wait, but only the things left by those who hustle!"

So what do you need to do? Enroll in that class. Call the travel agent. Book the cruise. Meet with the bank. Get the resume typed. Form the business. Write the book. Meet with

**“Remember, some things will NEVER change in your life until you begin speaking them out loud.”**

the Realtor. Save the money (with this week's paycheck). Join the gym. Propose to the girl. Record the CD. Volunteer at the shelter. Preach the message. Go on the interview. Nothing happens until you take action.

### Never Speak Against Your Dreams

The more time you spend in God's Word and reading good faith-building books, your imagination IS going to expand. Whatever you think about expands. Your image will improve.

Ideas will be birthed. Confidence will be gained. You begin to BELIEVE "all things are possible to him who believes" (Mark 9:23).

The Apostle Paul said, “I believed, and therefore have I spoken” (2 Cor. 4:13). When you begin dreaming of new things in your life and you BELIEVE it, you will automatically begin speaking it.

Mark 11:23-24 (NIV) says, “I tell you the truth, if anyone says to this mountain, ‘Go, throw yourself into the sea,’ and does not doubt in his heart but believes that what he says will happen, it will be done for him. Therefore I tell you, whatever you ask for in prayer, believe that you have received it, and it will be yours.”

Stop speaking against your own dreams...no matter how impossible they look right now. Remember, some things will NEVER change in your life until you begin speaking them out loud. It’s not enough to think it, you have to SPEAK IT.

### Expect it

Before my dad ever preached a sermon, the Lord put it on his heart to act as if he had a crowd of people listening to him preach. He would go as far as preparing the sermon, praying for the people who would one day listen to him preach, putting his suit on and going into his guest bedroom AS IF he were preaching to thousands of people.

Can you imagine? HE COULD. His imagination could see thousands of faces listening to his every word, lives being healed, saved and delivered. He could see it so strong on the inside of him, and in order to perfect that image, he acted as if it were already happening. Eventually, it actually began to happen.

Getting dressed, studying and praying were all acts of faith to show that he was that determined to reach his dreams. Proverbs 23:18 says, “...and your hope and expectation shall not be cut off.”

Hebrews 10:35 says, “Do not, therefore, fling away your fearless confidence, for it carries a great and glorious compensation of reward.” In other words, don’t let go of your dreams, your expectations, your faith, your vision. Stay focused and you will be rewarded.

Charles F. Kettering said, “Believe and act as if it were impossible to fail.” When what you see on the inside becomes BIGGER than what you can see on the outside, then God begins to bring the ideas, the opportunities, the resources, and the relationships to make it happen. It all begins with what you can or can’t imagine. Remember, “Nothing you have imagined to do will be impossible for you!” If you can imagine it, God can do it.

## THE ROUTINE

You may wonder why we are calling this magazine *The Routine*. It is based on one of my favorite quotes that says, “The secret of your future is hidden in your daily routine.”

I know my life did not start changing for the better, until I changed what I was doing every day. As I’ve developed a daily routine to spend time with God, write down what He says to me, and apply His Word, my life is now drastically different. That’s what I want to see happen in your life too.

I received an email from a sweet lady not long ago. She was hurt, confused, and lost. She heard me minister and asked if I would tell her about my *daily routine* so she could experience the same freedom and purpose I’ve discovered.

So that’s why we’ve named this magazine *The Routine*. Plus, just like cheerleaders have to learn a routine to cheer for their team, I’ll be here to cheer you on as you fulfill God’s purpose for your life.

**When you partner with Terri Savelle Foy Ministries  
you are taking God's love and truth to hurting people  
all over the world.**

**W**hen God spoke to Terri's heart about launching out in ministry, one of her first questions was, "Who will support this work?" She heard His voice say to her, "Don't worry about it. I'll send the people." True to His word, God has sent Terri Savelle Foy Ministries wonderful, faithful partners. As we continue to dream big, reach out, and expand, we know God is still sending people to partner with us.

What is a Partner?

A partner is someone who has been helped and encouraged by Terri's ministry and wants to be a part of something bigger than themselves that is helping and encouraging others.

A partner is someone that has made a commitment to support the vision of Terri Savelle Foy Ministries with their finances and prayers. Partnership enables each of us to do more than we could ever do on our own. Partners truly are the ones that make the ministry possible.

Why Partner?

More than ever there is a need to help people, especially woman, discover their true value and purpose in life. If we don't then many lives will struggle with guilt, failures and mediocrity while never reaching their God-given potential.

Terri is committed to share what she has learned to anyone and everyone about breaking free from the past, developing a vision for tomorrow and building a strong personal relationship with God.

Through our strategic alliances, our partners also provide food and clothes to orphans in Africa, help rescue young girls from human trafficking, support outreaches in France and more.

Thank you for your prayers and support that enable us to continue reaching out to you and so many others in need.
