ACTION STEPS

1. Identify your fears. What is it you are afraid of? What is keeping you from your divine destiny?
Write down your fears in your journal. This is the first step in eliminating the fears in your life.
2. Memorize your fear-fighting plans:
 - I will build my confidence in God's love for me.
 - I will deal with my faith.
 - I will build my knowledge of the Word.
 - I will build myself up in the Holy Spirit.
 - I will build up my courage.
 - I will do these no matter how I feel.
3. In your journal, write one or two specific action steps for each plan.
4. For the next 30 days, do your action steps consistently.
